What is the Festival of Business?

A month-long virtual celebration of the resilience of the business communities across the Greater Birmingham Chambers of Commerce group.

As part of the festival, members from across the Chamber will be encouraged to attend a number of webinars and virtual networking events being hosted as part of the campaign.

Events will focus on showcasing the benefits of doing business with members of the Chambers and key issues facing member businesses.

Businesses can get involved in the campaign by sponsoring one of the individual events or becoming a headline sponsor for a specific Chamber's week.

Headline sponsorship for a week: £2,000 +VAT

(Up to four headline sponsor positions available)

- Enews story (to over 15,000 subscribers) and featured in Chamberlink magazine (readership of 24k) coverage on announcing the sponsorship
- You will be featured in multiple enews stories, across GBCC enews, and divisional enews specific to your week
- Option to provide video or written content on why you are involved in the event etc. for promotion across the Chamber's channels in the build up to the event
- Social media posts in the build up to and during the live event
- One month banner advert in your divisional enews specific to your week
- At least one 5 minute speaker at one of the events within your week
- A4 advert in the digital awards brochure which will be issued to all event bookers during the month long campaign, available to download from the Chamber website and promoted heavily in the build-up, during, and after the event
- Logo on our homepage 'slider' on our website as a thank you to sponsors
- Logo presence and shout outs during the live event
- Your logo will be listed on each event page for that week with a hyperlink from the Chamber website to the sponsor website
