Reflecting on Two Years as President of Solihull Chamber of Commerce

It feels like just yesterday that I stepped into the role of President of Solihull Chamber of Commerce, determined to listen, support, and champion the businesses that invest in our Chamber. Looking back, I am incredibly proud of what we have achieved together.

A Thriving Business Community

Our networking and learning events have consistently sold out, creating opportunities for businesses to collaborate, share knowledge, and grow.

None of this would be possible without the tireless efforts of Samantha Frampton, our dedicated Head of Solihull Chamber and to the Vice Presidents Emma Louise Hewitt, Rebecca Gater, and Kevin Johns, as well as Membership Assistant Liz Treadwell.

Making a Difference Beyond Business

A key highlight has been our ongoing partnership with Solihull Moors Charity. Over the past two years, our members have gone above and beyond in their support—through donations, mentoring, and fundraising. Thanks to this collective effort, we have raised **£13,225** for the charity's projects and initiatives.

Delivering on Our Key Objectives

At the start of my second year, I set out three key objectives—to foster meaningful discussions within key sectors, to empower women in business, and to tackle transport challenges in our region. I am proud to say that we have delivered on each of these:

1. Sector Roundtables for Professional Services & Hospitality
 - o We launched roundtable discussions in these key sectors, providing a platform for businesses to share best practices, discuss challenges, and explore solutions together.
2. Women in Business Initiatives
 - o Our Solihull Female Leaders Women in Business movement has been a resounding success, thanks to our partnership with Birmingham & Solihull Growth Hub and Solihull Council.
3. Advocating for Improved Transport Links
 - o Transport remains a critical issue for businesses across Solihull. We brought together business leaders with key decision-makers at the West Midlands Combined Authority.

A Privilege and a Legacy

It has been an incredible journey, and serving as President of Solihull Chamber has been an absolute privilege. I set out with a clear vision, and I am proud to have fulfilled my objectives in support of our members and the wider business community.

As I hand over the reins, I do so with confidence in the Chamber's continued growth and success. Thank you to everyone who has been part of this journey—it has been an honour to serve, and I look forward to seeing the Chamber continue to thrive.

4. Election of Officers – Samantha Frampton (SF)

Thank you to Eileen, and not just for that summary of achievements, but for all that you have done as President over the past 2 years.

Your passion, time and commitment to help make a meaningful impact and create new opportunities for both members and the wider Solihull Business community has been unwavering.

It has been an absolute pleasure and joy working with you and an honour to have had you as our President.

However, this is not goodbye as I am pleased to share with everyone that the executive committee have voted for you to remain as a co-opted Executive committee member for a further year.

Election of Officers and Members of the Chamber's Executive Council for the coming 2 year term. Nomination papers were circulated to all Solihull Chamber members alongside the notice of the AGM.

Election of the Solihull Chamber's President

Eileen Schofield was elected as President by the Executive Council in March 2023 for a 2-year period which has now come to an end. Eileen is therefore stepping down as President today.

In line with the Solihull Chamber Constitution the GPC recommended Emma-Louise Hewitt from Sydney Mitchell to be the next President and I'm delighted to announce that Emma will be the next President of the Solihull Chamber of Commerce for a 2-year term.

Congratulations Emma.

We now move on to the election of officers and members of the Chamber's Executive Council for the coming 2-year term. Nomination papers were circulated to all Solihull Chamber members alongside the notice of the AGM.

Election of Vice President

Under the Chamber's Constitution, Kevin Johns and Rebecca Gater will continue as Vice President's for a second year at this AGM.

Emma-Louise Hewitt's appointment as President has therefore created 1 vacancy for a Vice President.

I can now announce that Kim Hulse of K Hulse Consulting will take up the position as Vice President on the Solihull Chambers Executive Council for a two-year period.

Congratulations Kim

Election of Executive Council Members

Under the Chamber's Constitution Louise Dunn and Tony Elvin will continue as Executive Council members for a second year at this AGM. Thank you both for your continued support and I look forward to working with you both for another 12 months.

Andy Cole and Erica Burke will be resigning from the Executive Council.

Amanda Holden, Ian Rogers, Jas Rohel, Pauline Clarke and Steve Whitmarsh have all completed a two-year term on the Council and under the Chamber's Constitution will be offering themselves for re-election as Executive Council members at this AGM.

Kim Hulse's appointment as Vice-President has therefore created a further vacancy on the council.

These changes resulted in there being 8 vacancies for election to the Executive Committee Council.

The number of applications received did not exceed the number of vacancies, and as per the constitution I can therefore announce that the following have been elected to the Executive Committee Council for a 2-year term.

1. Amanda Holden – The Wilkes Partnership

3. Jas Rohel – Education Awards
4. Mark Wilson – Headpoint Advisors
